

## Top occupations in North Texas

According to state labor market information tools, there are 753 total occupations in the 11-county North Texas region. Projections are made according to how many people work in that occupation and how many will be needed. The following list includes the top occupations based on those figures.

The list is submitted for the North Texas Board plan modification as the required list of demand occupations, which is separate from the Board's Target Occupations list that governs how training will be funded.
