

Letter to Parents: 1ST Home Visit

Parents:

It is time for our first home visit to discuss your child's progress and answer any questions you may have. Please let me know if the below time is convenient for you.

Our visits are usually conducted _____. We are unable to make morning visits as we are busy in the classroom. Please call the center if you have any questions.

We are looking forward to working with you and your child.

Thank you for your cooperation.
