FREE Virtual Field Trip!

The Wichita Mountains and Wichita Mountains Wildlife Refuge

Date: April 9th

Time: 1:00 – 1:40

Grades: 4th – 8th

The Wichita Mountain range is among the oldest on Earth and started formation during the Early Middle Cambrian Times about 550 to 600 million years ago. Have your students join us to learn about the formation and history of these mountains. Your students will also learn about the public facilities at the Wichita Mountain Wildlife Refuge and the future of the refuge. Don't miss this great opportunity!

To schedule this or any other Virtual Field Trip contact Kim French at 940-322-6928 x323 or virtualfieldtrips@esc9.net.

This Virtual Field Trip will be delivered through your school district's distance learning equipment.
